

Notes:

This is a game slide and you may conduct this game in class. The answer key to this game is provided below.

- False.
- False.
- True.
- False. Here, you can mention that a lack of the © symbol does not mean that there is no copyright in the work. Copyright in a work comes into existence as soon as that work is created.

Slide 23

Notes:

For the cartoon strips, students from your class may be involved to enact the situation depicted.

Revision

- 📌 What protects the intellectual property created by artists?
- 📌 How long does copyright last for?
- 📌 How do we benefit from copyright?

- Can you think of any 2 ideas that have been expressed in different ways by three original works (Book, Movie & Video Game)?
Here's one to get you started.

Idea:	Original works expressing that idea:
Alien Adventures	Charlie and the Great Glass Elevator novel by Roald Dahl. E.T. the Extra Terrestrial movie by Universal Pictures. Project X: Alien Adventures game by Beenox & Amaze Entertainment (Nintendo DS).

- IF A has an idea, but B also has an idea, C uses this idea to write a song on it, then can A & B have a copyright in C's song?

Slide 24

Notes:

A 'Design' includes shape, pattern, and arrangement of lines or color combination that is applied to any article. It is a protection given to aesthetic appearance or eye-catching features.

Following are the prerequisites to obtain protection for design –

- It should be applied to an article
